

ANNUAL MINI GOLF

The Annual Mini Golf is another unique and popular event hosted by the Alumni. It is usually held in August each year.

The event takes place at Pickering Playing Fields, a recreation area east of Toronto.

No golfing experience is necessary and families find it a great opportunity to enjoy an afternoon of outdoor activity. Young and old alike negotiate the 18 holes of traps, obstacles and tricky gradients with putting strokes beyond imagination. It's all part of the fun. Keeping track of scores is sometimes used to see who scores the highest rather than the other way round!

Another fun activity for all ages! Kids love it!

Watch this space for the next year's event.
